

C. Craig Coble

Master Facilitator for Learning Services and Action Learning
Coach, Personal Coach
Washington, DC

"Passionate, enthusiastic, sincere, intuitive, spontaneous, insightful, resourceful and humorous. The above adjectives are truly but a mere snapshot of what Craig Coble brings to his courses. The word facilitator really doesn't define Craig Coble."

Major Areas of Expertise:

- ☞ Action Learning for group problem solving and decision making
- ☞ Personal coach with a holistic approach and spiritually centered
- ☞ Strategic Planning Facilitation
- ☞ Coach for high potential leaders
- ☞ Extensive work with Government Agencies

Craig is one of the most engaging facilitators you will meet. The work of group dynamics and facilitation seem to flow through Craig as his clients will confirm. Clients value his sense of humor and his ability to engage participants in learning experiences that blend lecture, activities and multi-media. He custom designs many courses and is experienced in presenting a variety of workshops. He has worked for organizations in the DC area and has traveled as far as Japan to work as a facilitator and action learning coach.

Craig works collaboratively with clients to determine the best learning experiences to engage participants, to solve real-time business problems and to maximize retention. He is flexible in planning and delivering learning that moves at the rate of the group. Craig is masterful at managing group dynamics and yet can be present to one individual in a classroom if it serves their learning best.

Craig is as experienced with the private sector as he is with the highest levels of the Federal Government. In addition to his domestic work, he has also worked internationally, most recently in China, Malaysia, Singapore and Indonesia.

"Taking one of Craig Coble's Effective Presentation Skills classes is like getting an educational dose of adrenaline. Combining constructive criticism with an encouraging spirit, he shows you concrete ways to improve. Finding teaching methods that are interactive as well as engaging can be a challenge. Craig has the magic mix of both."

As a Sophia Associates facilitator, he works to support the overall strategy of the organization and enjoys working on a team in a multi-disciplinary approach to leadership development programs.
